

Descendants of Richard Cockerton

Generation No. 1

1. RICHARD⁵ COCKERTON (*WILLIAM⁴, RICHARD³, RICHARD², ROBERT¹*) was born 17 Jun 1748 in Soham, Cambridgeshire, and died 16 Apr 1828 in Witcham, Cambridgeshire. He married MARY ANN UNKNOWN Abt. 1787. She was born 1762, and died 10 Sep 1838 in Witcham, Cambridgeshire.

Notes for RICHARD COCKERTON:

Richard was 41 at the birth of his first recorded child and his wife, Mary, was 14 years his junior. There are also three missing names in his family, as you would expect there to be boys named Richard, William (his father) and Thomas (brother). The likeliest possibility is that this is Richard's second marriage and his first wife and children died or had grown up and left home - or that this was a late marriage and the first born children died in infancy. Whichever is true there is no sign of them in the Soham or Witcham parish records.
