

THANK YOU FOR RECYCLING AND REDUCING WASTE

Residents in East Cambridgeshire continue to make the right choices to reduce their waste footprint. In recent years, the recycling rate in East Cambs has increased and the amount of black sack waste has reduced.

Recycling and reducing waste saves natural resources, energy, money and the environment.

Keep up the great work and **REDUCE, REUSE, RECYCLE** every day!

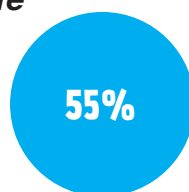

Recycling rate

Percentage of blue and green bin recycling versus black sack waste
