

NEXT MEETINGS..... Arrangements for May and June 2021

At present The Coronavirus Act 2020 s.78 and The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020, which give provision for Parish Councils to hold their meetings remotely instead of face to face, will expire after 6 May 2021. This means it looks like we are unable to continue with Zoom meetings although this is a matter going to Court and we are waiting to hear the outcome from our Association of Local Councils in the next week or two.

However, the return to face to face meetings at present would breach the Government's Covid-19 Restrictions.

Following the Council meeting this week, Witcham Parish Council decided to bring the May meeting of the Council forward to **Wednesday 5 May 2021**.

Details for the date of the June meeting will be announced nearer the time and notices will be put on this website and noticeboard at the crossroads.

Please contact the Clerk for further details witchamparishc@btinternet.com

Any items for consideration for inclusion on the agenda must be received by the Clerk by the Monday of the week preceding the date of the meeting. Eg 5 May 2021 agenda – items required by 26 April.
